(Please include Name, City, State, and Status of Application for each)

What field of study do you plan to pursue?

What is your ideal career?

Essay Portion

(500-1000 words. Please submit typed response with completed application)

As we've seen through our fight against the global COVID-19 pandemic, clinical research has the ability to impact and change our everyday lives. The team at Clinical Trials of South Carolina is working with researchers, scientists and trial volunteers to develop medicine that will change our community's immune response and health for the better. Please write a 500 – 1000 word essay on something that has impacted and changed your life for the better over the last year.
